The Chairman of the Committee on Mis dissippi Levees then submitted their re-sort, action upon which, after a spirited controversy, was postponed until Friday norning. The essential points in the report are as follows: "The importance of devising a practi-cable plan for protecting the lands from overflow, by a system of levees, was in operation before the war, which afforded tolerable protection; these have passed tolerable protection; these have passed away, and the soil remains as fertile as before, and capable of almost indefinite production, with capacity to yield annually more of the precious metals than all of the mines of the country together. How shall this region be developed? How shall the losses he rebuilt? Private enterprise alone will attain these results. The suicide of Billy Mitchell, the famous liquor dealer, whose body was found lying in his popular saloon, almost entirely eaten by rats, it now appears was caused by heavy losses in the New York Central, which so preyed upon his mind that he became tired of life. For years back, by industry and perseverance, Mitchell had necumulated property valued at \$800,000, and it was only during the recent excitement that he entered upon Wall street speculations with John Morrissey and others, who also lost heavily, but had become accustomed to the ups and downs which accompany stock speculations.

Corbin, President Grant's brother-inlaw, is now really sick, consequent upon the intense excitement following the expone of the list few days. Great fears are entertained of his resovery. about Gen. Batterfield, the Sub-Treasurer, are flying about wildly through the streets, and he is said to be the only man in the ring who really has made any money, owing to a timely disposition of his share previous to the break of the market by his chief. A committee has left for Washington to urge his removal; and Grant will no doubt be compelled to make the change—with the example of Chancellorsville before him, where Gen. Butterfield, it was reported, would permit terfield, it was reported, would permit terfield, it was reported, would permit terfield, it was reported, would permit terfield.
